Dear ACLU of Oregon community member,

On **Saturday, April 5**, millions of people across the U.S. took to the streets to fight

fascism and yell, "Hands Off!" to the Trump administration.

I spoke before thousands of people at the Portland protest – stating:

"In our fight against fascism, we are fighting for the heart of our country:

- Trump wants a country ruled by greed, corruption, and control. We strive for justice, fairness, and freedom.
- Trump foments hate and division. We cultivate care and collaboration.
- Trump emboldens billionaires. We empower everyday people.
- Trump is a bully. We take down bullies."
